Announcements

There is an intermittent, random problem with the Advanced Calculator in the Employee Benefits Information System (EBIS). The problem has been reported to the contractor, who is working on identifying the cause and creating a solution. The ABC-C apologizes for any inconvenience this may cause.

NOTICE! If you are a new or rehired employee hired on or after August 1, 2010, you will have automatic TSP contributions of 3% of your salary withheld from your paycheck.

The New Employee Orientation Briefing is now on-line. Three versions of the briefing are available:
To view the briefing with the slides automatically advancing, select [Automated Slide Show](#). (After opening the slide show, press F5 to activate.)
To advance the slides at your own pace, select [Self-Paced Slide Show](#). (After opening the slide show, press F5 to activate.)
To view the briefing slides without the narration, select [Slide Show for Use without Speakers, or for Hearing-impaired](#).

NEED HELP COMPLETING YOUR RETIREMENT APPLICATION? Self-paced slide presentations with information on filling out retirement forms are available for [CSRS/CSRS Offset](#) and [FERS](#). A version for [CSRS/CSRS Offset disability retirement](#) and [FERS disability retirement](#) is also available. (After opening the slide show, press F5 to activate.)

EBIS access has been CAC-enabled! You are now able to log into EBIS using your Common Access Card (CAC) and CAC PIN. Click on "Employee Benefits Information System (EBIS)", then select the "CAC Employee Login" option. You are still required to enter your SSN and ABC-C PIN to access your personal information in EBIS.
